Subject: Deschutes Decision Memo

Attachments: Background Info for 4-27 Deschutes Decision Memo mtg.docx

---

Hello – I've put together some background info for you all to take a look at prior to the meeting next Friday. I've tried to summarize the main outstanding issues that I think will benefit from a group discussion. At some point early next week, I will share out a One Drive Folder with a cleaned up version of the decision memo, so you can have that for reference as well. Thanks for all of your help so far!

Proposed Agenda:

1. Go over changes made based on feedback received (5 min)
  2. Outstanding issues/questions (45 min)
  3. Next steps – what is our strategy for briefing this up? (10 min)

Hi everyone,

I plan to take a look at the comments received on the decision memo, and tee up the outstanding issues for us to discuss. I will compile a list of topics before the meeting and send them out. (b) (5)

9. *Document Organization*

There was a suggestion to add the 'Summary of Action' section at the end of each pollutant section. Right now, the summary for all pollutants is grouped at the end. Thoughts?
